

Friday, 1/19/12 was a sad day.....I wanted to let everyone know my Dad, William "Bill" Barrett passed away this morning. We will having a "Celebration of Life" and I will let you all know when and where. He was 91. He and my Mom skated and competed for Great Britain in the late 40's, in Pairs & Dance. Joining the Ice Cycles/Capades back in 1950 and staying thru till late 51/52. They then taught at Sutro's in San Francisco as well as Fresno CA until 1961 when they moved to Fresno after buying the rink there. While they had many Gold Medalists as well as students who joined the Capades and Follies, they enjoyed teaching until they retired un 1988. My mom (Julia Barrett) and I (as well as my wife and Daughter) are hanging in there. Thanks for all the thoughts and prayers. TimB [tmbarrett59@yahoo.com]
