

MARJORY JUNE (McCHESNEY) KUNIK

Kelly Kunik, daughter of Marjory Kunik (Ice Capades 1944- 1948) asked to have this posted. Last September my mom passed and I forgot to send the obituary out. It was an unexpected illness/ death and the past year has been so crazy and never realized I didn't send you the information on her passing to her Ice Capade's family!

KUNIK, MARJORY JUNE (nee McCHESNEY) - of Margate passed quietly on September 23rd, 2011, while surrounded by family members, after a month-long battle in the hospital. Born in Timmins, Ontario Canada on June 10 1927, Marjory is best remembered for her career in the famed Ice Capades from age 17 until meeting her husband, John, marrying in 1948 and settling in Margate. Those who knew Marjory would agree she was a true beauty, both inside and out. She was always upbeat, lighthearted with never a bad word to say about anyone. Marjory loved to laugh, had an optimistic perspective on life, and a tremendous will to fight when required, as witnessed during her month-long bout in the hospital. Wife of the late John Kunik, and mother of the late Debbie Kunik she is survived by two sons, John and Maitland; three daughters, Donna, Catherine, and Kelly; a sister Jean Denny; and a host of nieces and nephews. Marjory was incredibly proud of her ten grandchildren: Scott, Brendan, Cristin, Maddie, Max, Reid, Hannah, Tess, Anton and Olivia, and two great-grandchildren, Mason and Melania. Marjory's presence made the world a better place and she will be greatly missed.
