

Another Icon passes

Our Father Tony Romano of the bicycle act the "Romano's" passed in his sleep a few days ago. He was 99 years old. Tony had performed on stages around the world his whole life, including the major night clubs in Europe, the Tropicana, Dunes, Stardust, Aladdin hotels in Las Vegas and Ice Capades from 1967 to 1975. I'm sure he will continue to entertain in heaven. He will be greatly missed.
