Donnie was a member of Ice Capades from  
1942-1948 and Ice Cycles from 1949-1950. She  
met James W. Harkins, Sr. (skater in 1940-41  
productions; later Assistant to President John Harris) in the show and married him  
in December 1948. She stopped skating when Jim, Jr. was born, but continued to  
travel with the show with her family (now including daughter Carol Ann). In 1955  
they decided to settle down in the San Fernando Valley, where youngest daughter  
Colleen was born nearly ten years later. Donnie is survived by her three children  
and four grandchildren.
