

Gail Hamula Gross went to be with her Lord and Savior on Monday, October 10, 2022 in West Bend, Wisconsin with her family by her side. She courageously battled multiple systems atrophy (MSA) for nearly a decade, a rare, progressive and terminal neurological disease. Gail's quiet

faith touched many people as a wife of an Air Force Colonel, her many patients in the dental field and as a National, World and Professional Figure Skater. Gail partnered with Frank Sweiding in East Company from 1979 - 1982.

Her Celebration of Life details will be posted soon at www.Shimonfuneralhome.com
